

Spring is here.  
The flowers, the trees the birds and the bees.  
Spring is here.  
Everything is in bloom.  
The grass is green. The air is clean.  
The birds are singing the song.  
A warm spring day. All I can say.  
I wait for spring all year long.  
Spring is here.  
The flowers, the trees the birds and the bees.  
Spring is here.  
Everything is in bloom.  
Pretty flowers ! Everything is in bloom.  
Birds and bees. Everything is in bloom.

One, two, three  
Let's dance together  
You and me.

What a lovely sunny day, time to sing , dance and play.  
Will you dance today with me.  
Please agree! One, two, three.

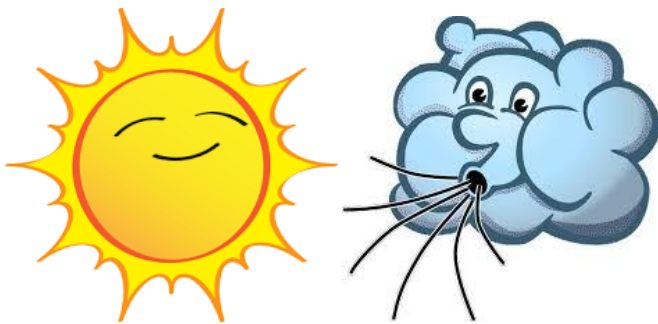

Hey, lucky, lucky lady.  
Hey, lucky ladybug.  
Fly up high in the sky, hey lucky ladybug.  
Fly down low in the garden, hey lucky ladybug  
Little , lucky black spots, hey lucky ladybug.  
Fly with your red wings, hey lucky ladybug.

*How many wings has she got?  
How many legs?  
How many dots? What colour are her swings?  
How old is she?  
Where does she fly?*

Zip, zap, zap!  
Oh, zippy, zippy, zap!  
Dragonfly you are flying up so high.  
I fly way up high when it's a blue sky.  
I fly low, low when it is wet below.  
Zoom, zoom, zoom!  
Off and away!  
Flying high  
Flying low  
Zip, zap, zap!  
Dragonfly. How do you fly around?  
I spread my four wings,  
And hover in the sky. I never fold them, I just twist and turn.  
Zoom, zoom, zoom! Don't touch the ground.

*( bajeczka o słońku i wiatyku )*

One day, the Wind approached the Sun and asked.  
Hey! Sun "Who do you think is the strongest in the world?"  
" It's me the Wind"  
" Oh really" the Sun chuckled.  
"If, you don't believe me, let's bet on it"  
Just then they saw a man walking through the field.  
" See that man?" " Whoever can make him take off his jacket, wins"  
As soon as the Wind said that, he started to blow as hard as he could. "Whooooo!"  
The man held onto his jacket tightly.  
"Oh... I'm too tired" said the Wind. " I can't blow anymore".  
As soon as the Wind stopped, the Sun came out.  
"Ok it's my turn now, watch this" and the Sun started to shine. It was hot.  
The man started to undo one button. Than another. It was still too hot so he took off his jacket and threw it aside.  
The Wind became so embarrassed that he blew away.
